Military attacks civilians!

Videos uploaded of Military slaughtering hundreds

Plague spreading!

The plague that originated in Maineral and has killed almost half of Maineral's population keeps on spreading.

"At this rate the plague will have reached most of the world by the end of next week, barring remote, isolated locations.", a specialist in the field tells us.

Efforts to research a vaccine or cure are ongoing but not looking promising yet.

The military are executing civilians in the riot districts, all on tape!

Military conflict escalating!

The military efforts to quell the riots have only turned things more chaotic, as multiple videos show the military shooting unarmed civilians, and various other horrific acts.

You are advised to stay out of any rioting districts!

Game takes the world by storm

A new gaming console by the name of "OctaCube 3D Deluxe" released this week and has taken the world by storm, with a record-breaking 10 million consoles sold so far!

Demand for the console has been so high that manufacturers have been unable to keep up.

Many believe this may be due to the impending plague that may force many to remain indoors with little to do.

THE END IS NIGH.

Reckoning!

The time of reckoning is at hand!

Soon there will be nothing left and everything will be for naught!

You must repent if you wish to join God in the heavens, lest ye burn in the eternal flames!

Repent! REPENT!

★ **Gang conflict** ★

Multiple gunshots and explosions were heard from the Downtown Luxury Departments sub-district.

Observers confirm that this seems to have been the site of gang-related activities as multiple men were spotted carrying firearms and grenades.

Mysterious Magical Message!

You fucking killed him, you donkeys! He wasn't even a part of the war!

All right, that's it, I'm done. I'm making damn sure that Maineral is wiped off the map. I've already got in touch with some very influential people that are willing to pull some strings for me.

Now, I happen to know that for you to be eligible for the Wish, you would need to remain within the city boundaries. That means that as long as none of you win, which you aren't likely to do at this pace given your absolute incompetence, you will all die a horrible, fiery death, and none of you will receive the Wish.

Good riddance, I say.

Count Rosendo found dead

The local Count Rosendo of the house Eras was found dead yesterday along with his butler.

The Count was found with multiple stab wounds and bite marks, along with the words "Walter doesn't like your threats, Eras." painted in blood. The police are currently investigating this murder.
