Wreckage spotted!

Presumably the remains of a Mage battle

Evangelists at the church.

Many have begun seeing the light within the church sub-district.

Your work must continue. There is no time for rest.

Only by spreading my word to the world can it be completely purified!

What manner of trickery is this!?

These Mages must be purged!

The world is filled with these wicked Mages and their creations, and must be purged from them!

NOTHING WILL REMAIN ONCE WE ARE DONE WITH THEM!

Blind Humans...

These foolish humans cling to their wealth and "stocks", not understanding what joy and wonders we bring to the world!

Make them SEE!

Extravagant foolishness?

You know, as far as extravagant and horrific creations go, these cars look pretty cool. Think we could keep one for later..?

★ **Vermis and disease!** ★

Rats, vermin and disease plague the districts!

These are not my doings! Whoever is causing this must be purged!

**Weather report:
Windy**

Today I am quite tired and will take a day off. The weather will be "sunny" and "Nice". I hear you humans like that so APPRECIATE MY GIFT AND MAKE OTHERS DO SO AS WELL!

A Mage has been uncovered...

It would appear a Mage has made it to the news...

Their name is Blake and it seems like they are a Necromancer of sort, living in Mastic Walk, Warehouses.

Find them and kill them!
