Blessings of The Church Locals partying, awaiting my arrival!

New Disease

The disease keeps spreading across Maineral.

Do not get infected or it will likely kill you.

Stay away from the locals! They are all probably infected already!

Find the Mage that is causing this...

AND KILL THEM!

Keep spreading my gifts!

Open their eyes!

You have spread my gifts to many more sub-districts. From the Bank to the Hospital, to even the dirty Mage Towers in Rue Heights...

Soon all of Maineral will welcome me with open arms! Excellent work!

Country leader complete wuss

It would appear the leader of another country is too much of a wuss to show up to Maineral!

Cheyenne will burn for this insult! He should welcome my arrival and join in on the festivities!

Disgusting ads

WHAT IS WRONG WITH THESE PEOPLE!

DISGUSTING, NUTRITIOUS BEVERAGES ARE NOT REQUIRED! WHERE ARE THE MEAT SHAKES!?

★ Something about a book ★

Something, something, book news...

Absolutely pointless! WHY DO THESE HUMANS WASTE SO MUCH OF THEIR TIME!?

Mysterious Message

Yet again, something strange flashes over your eyes as you look at the weather article. You aren't able to comprehend it, but it appears magical in nature.

All you get is a brief glimpse of the Docks sub-district in Mastic Walk, and a time: 8:00 PM tonight.

You're once again unsure what this means but you had a good feeling about it for some reason.

Local discovers treasure

A Motel in the Hudson Green Apartments sub-district was partially destroyed...

Was this due to a Mage Fight? Or merely circumstantial? Perhaps worth investigating... The Mages must DIE!!
