## Blessings of The Church Party going strong!

### Disease all around!

The Hospital sub-district of Eagle Gardens is absolutely fucked.

The disease is here to stay! It has spread to all districts of Maineral. Do not engage the common folk, or you might catch it!

If you do catch it, don't go to the Hospital, they have no idea what they are doing, the fools!

Woops! Looks like someone had a bit too much to drink!

### Open their eyes!

The Blessings of the Church keep spreading.

These pitiful humans do not realize what it means to be truly 'touched'.

You must show them the way!

### Money Problems

Ha! The pitiful humans appear to be having money problems!

Perhaps soon they will lose their will to live alone and unloved and will unconditionally surrender to my love!

### Violent ads

Yes! Violence! Finally some good advertisement!

Perhaps there's hope for these humans still! Maybe you should get one of these... sPrayR weapons... Wait, is that a pun on Prayers?

NEVERMIND! THEY WILL BE PURGED!

### ★ Natural Beauty ★

It appears that some of the locals have noticed the new creatures I have brought to Maineral.

They are in such awe from the beauty that is my creations!

### Mysterious Message

Yet again, something strange flashes over your eyes as you look at the weather article. You aren't able to comprehend it, but it appears magical in nature.

All you get is a brief glimpse of the Housing sub-district in Hudson Green, and a time: 8:00 PM tonight.

You're once again unsure what this means but you had a good feeling about it for some reason, in addition, you feel a sense of annoyance when reading it.

### Vessel disintegrated

The remains of the strange vessel that was found some time ago seems to have disintegrated.

That's got to be a good sign, right?
